

All,

In the spirit of Regimental pride, we would like to challenge you all to complete a 68 mile run within the below standards in recognition of our 68th anniversary. Here are the guidelines.

68 Mile Run Challenge:

Active Component units: Between the dates of 26 August and 26 September 2009, in formation at company or separate platoon or detachment level, run a total of 68 miles in segments conducive to your mission and Soldier condition. Upon completion of the 68th mile, take a digital photo of your unit with Guidon/Colors and caption covering the unit designation, leadership, date, time and location.

Guard, Reserve and deployed units: Between the dates of 26 July and 26 September, in relay or formation at company or separate platoon or detachment level, run a total of 68 miles in segments conducive to your mission, security situation and Soldier condition. Upon completion of the 68th mile, take a digital photo of your unit with Guidon/Colors and caption covering the unit designation, leadership, date, time and location.

Photos will be posted on the Regiments web site and we will send you a certificate of completion. (Send a mailing address) The intent of this challenge is to display pride in the Regiment and promote camaraderie.

Photos of you and your Soldiers while wearing the Anniversary T-shirt would be most HOOAH!

We will complete the 68 miles here at Fort Leonard Wood and finish up the last few miles during the Regimental Run.

Good luck! We look forward to hearing from you and seeing the pictures of you and your Soldiers.

CSM CHARLES R. KIRKLAND
Military Police Regimental Command Sergeant Major
